ABOUT ME

Summary: Motivated and dedicated, I am a 20-year-old sophomore at Akhawayn University with a passion education.

Skills:

- Strong problem-solving abilities acquired through self-guided learning and personal experiences.
- A diligent and hardworking approach, consistently putting forth my best efforts to accomplish tasks.
- Effective teamwork and collaboration skills developed through active involvement in sports clubs.
- Awareness of the importance of time management and a desire to enhance this skill while balancing university responsibilities.

Objective: To leverage my passion for sports and education to contribute positively to the sports industry. I aim to continue my personal and professional growth by acquiring valuable experiences and enhancing my leadership skills. Moreover, I am eager to develop effective time management strategies to optimize my academic and extracurricular pursuits.
